PATRONAGE CREDITS THIS YEAR			52.96

These figures represent the Capital Credits that were allocated to your membership account for 2016. As an RTC customer, you accumulate patronage each year when you receive local telecommunication services from RTC. At the end of each fiscal year the cooperative's margin, the excess after operating costs and other expenses, is determined. The margin is allocated to you, the member, in the form of capital credits.

The capital credits remain in your membership account until the Board of Directors authorizes the release of capital credits. Please contact RTC to update your membership information if there has been any change associated with your membership account due to divorce, death, change of address, etc.
