Welcome to the newest evolution in television entertainment **myRTCtv**! We've transformed traditional TV, and it's easier than ever to access your favorite broadcast and cable channels. All the standard features you love remain but are now enhanced with responsive designs that create the ultimate user experience in your preferred environment! We know you're going to love it. But even if for some reason you don't, we won't lock you into a contract.

**The myRTCtv service is a streaming service that requires internet to function. Internet speeds of 100x100 Mbps or higher are required. Fees and taxes apply to package prices. Restrictions may apply.*

Enjoy more with myRTCtv:

- ▶ **Watch TV on Nearly Any Device**
Watch myRTCtv on a computer, laptop, tablet, smartphone, or many of those internet-enabled devices you probably already have at home and connected to your TV — Amazon Fire TV (Box, Cube, or Stick), Apple TV, or Android TV.
- ▶ **Includes "Watch Anywhere" DVR**
We include 100 hours of free Digital Video Recording (DVR) storage. More DVR storage is available — just ask our Member Services team about your options.
- ▶ **Includes Restart TV**
Miss the first 10 minutes of the news? No worries. With myRTCtv, when you turn on the channel it will ask if you want to restart the program from the beginning.
- ▶ **Includes Replay TV**
If you missed last night's episode, just look in the Replay TV section to instantly watch the desired content. Up to 72 hours of past episodes, shows, and programming are available for instant and full replay on most channels.
- ▶ **Includes Pause and Rewind Live TV**
Rewind live TV to rewatch key moments of your program or pause the episode to answer a phone call or get a snack.
- ▶ **Includes Personalized Viewing Experience**
myRTCtv includes up to five customizable profiles per account. Not only will it keep each profile and preferences separate, but it will recommend new shows and experiences based on each person's viewing habits.

Simple. Smart. Innovative. TV.
